# STAGE 7A

You'll enjoy being surrounded by a picturesque setting of parklands, extensive open space, meandering creeks and wetlands – all within the established infrastructure of the beautiful town of Wallan.

It's rare to find such an idyllic location to build on with affordable land that's rich in heritage. At Springridge you can also choose from a range of house and land packages from Melbourne's best builders, to create the dream home you want to build. When you choose to live at Springridge, you're choosing the type of freedom and affordability you could only dream about in the city!
